We understand publishing and we understand science. As the wholly owned trading subsidiary of the Biochemical Society, we are embedded in the global scientific community and are well-placed to support the needs and ambitions of researchers. We offer excellent visibility for your work by making it easy to discover and explore our journals. And because we gift our surplus back to the Biochemical Society, publishing with us benefits science in more ways than one.

DISCOVER EXCITING RESEARCH IN YOUR FIELD PUBLISHED IN THE PORTLAND PRESS JOURNALS

Journals/articles are individually priced; please email info@portlandpress.com for more information
