

1 Apply for a grant or bursary

We offer a wide range of grants supporting research, attendance at scientific conferences, and the sponsorship of events

Exclusive offerings for members

2 Publish in one of our journals

As a self-publishing learned society, we return all profits to the life science community in support of our charitable objectives

Member discounts on open access publishing across our portfolio and access to journal content

Four ways to engage with the Biochemical Society

The Biochemical Society and our wholly-owned publisher, Portland Press, work to support innovation and the advancement of science. We achieve this through the circulation of knowledge and the sharing of ideas and research across the scientific community for the benefit of society.

Find out more about joining our community on our website.

BIOCHEMICAL SOCIETY

PORTLAND PRESS

biochemistry.org

3 Attend a scientific meeting

We run an extensive range of events, including scientific conferences, symposia, award lectures, and webinars

Discounted registration fees for members

4 Enhance your skills

Our training events and careers resources enable participants to gain knowledge and skills in key areas of the molecular biosciences

Discounted registration fees for members and free access to selected training courses
