Teaching Excellence Awards – Initial Nomination Form

- 1) Name of Nominee
- 2) Nominee Institution

How does your nominee address the criteria of the Teaching Excellence Awards?

- 3) Individual excellence
e.g., develops and employs innovative and effective approaches to teaching and assessment in the molecular biosciences which successfully promote student learning and achievement (max 200 words)
- 4) Commitment to own continuing professional development
e.g., undertakes professional development activities that actively influence and enhance the teaching and learning of molecular biosciences (max 200 words)
- 5) Commitment to students and colleagues
e.g., inspires students and colleagues to excel; shows awareness of the different needs of students; provides evidence of supporting teaching and learning beyond their own department and Institution; supports and guides students' career choices and goals; champions the importance of excellence in molecular biosciences teaching (max 200 words)
- 6) Sustained and continued impact
e.g., contributes at a high level over a sustained period of time (not for a single activity), demonstrates impact nationally and/or internationally, commits to build, support, and nurture future talent (max 200 words)
- 7) Please list the nominee's top 5 outputs
- 8) Please indicate what the nominee's contribution was to the outputs listed above, and the outcomes resulting from them (max 100 words per answer)
- 9) Overall Impact of Education Statement (max 200 words)
- 10) Nominator Declaration and Consent
