Science Communication Prize – Entry Form questions

1) Which educational category are you submitting an entry for:

- Further Education – A-Level/T-Level/BTEC National/Scottish Highers or equivalent students (post-16)
- Higher Education – BTEC Higher National, foundation, undergraduate and postgraduate students (post-18)

2) So that we can take your educational stage into consideration when judging submissions, please specify your educational stage below:

- A-Level
- T-Level
- BTEC National
- Scottish Highers
- BTEC Higher National
- Foundation (in Higher Education)
- Undergraduate
- Postgraduate
- Other (please specify)

3) Year of Study

- 1st Year
- 2nd Year
- 3rd Year
- 4th Year
- Other (please specify)

4) Depending on your entry type, please upload or provide the URL to your written or media piece. As a reminder, we only accept the following formats:

- A short news item
- A magazine feature or interview
- A short video or series of clips suitable for social media
- A YouTube, radio, or podcast show (either as an audio or a written script)
- A comic strip
- Infographic

- 5) Title of your entry
- 6) In a few sentences, outline how your entry relates to the theme of this year's competition
- 7) If you have used any images or media content in your entry, please clarify whether these are your own creation, or where you sourced the images from.

Further guidance on correctly sourcing images can be found [here](#).

- 8) Use of AI declaration
- 9) How did you hear about this competition?
- 10) Declaration by the applicant
